Re: OGIS Case No. 18-01356

Dear Ms. Santos-Bourne:

My name is Christa Lemelin. I am the facilitator with the Office of Government Information Services (OGIS) assigned to work on your case concerning your Freedom of Information Act (FOIA) request to U.S. Customs and Border Protection (CBP) for records concerning the Department of Homeland Security and CBP contractual relationships with medical providers in the Rio Grande Valley sector.

I apologize for my delay in contacting you about your OGIS case which we received on January 24, 2018. Due to an increase in the demand for OGIS's FOIA dispute resolution services, I was assigned to work on your request for assistance *today*.

For tracking purposes, we assigned your request for assistance the case number listed above. Please cite this OGIS case number in all communications to me regarding this matter.

I have contacted CBP to inquire about your request's status. I will be in touch once I have more information to share. Have a great weekend and please contact me if you have any questions or concerns in the meantime.

Sincerely,

Christa Lemelin
